CRUSHED ROCK QUOTES

Crushed road rock class 5, 7/8th in. (less than 15% fines) to be delivered and truck spread on Milton Township roads at various times during the year (April 1, 2024 – March 31, 2025). Rock will be tested to make sure it meets Class 5 specifications.

- Quotes shall specify in the proposal the location of the production site. The unit price shall include all applicable aggregate material taxes. Quotes must be provided by the ton and by the cu. yard.
- It is expected that a minimum of 1000 tons/per day will be delivered during spring rocking. If that rate is not met, the hauler will be responsible for the motorgrader expense for the day.
- Quotes should include an FOB price for Milton Township.
- Quotes should include a price for Milton Township residents, delivered to their property.
